- ✘ Understand the value of time
- ✘ Desire to stay focused on profitable activities
- ✘ Look for ways to gain a competitive edge
- ✘ Value personal business relationships

## STRATEGIC PLANNING DECISIONS

### *What decisions are you making today to benefit your company next year?*

*Understanding how your business makes decisions is important to your long-term success*

#### Are your decisions based on

- ◆ Urgent or Important
- ◆ Short term or Long term
- ◆ Cost Money or Produces revenue

#### How do you get decisions to this point?

1. As an **Owner**, what was your main purpose or goal for starting your business?
2. As your company's **Leader**, what are your priorities going forward with your business?
3. As a **Decision Maker**, how do you manage urgent / short term decisions vs. important / long term decisions to improve the profitability of your business?

**STREAMLINE CXXO** works with "C" level Leaders, Entrepreneurs and Business Owners who:

- ✘ Desire to improve ROI in their staff
- ✘ Recognize there is cost in turnover
- ✘ Value access to guidance and advice in day to day personnel matters
